faculty, administration & staff

As Millikin celebrates its Diamond Jubilee, we can take pride in its advancements over the years. While maintaining James Millikin's vision of a liberal arts college which would offer a practical educational background to those who would be facing an increasingly industrialized world, it has constantly striven to elevate its academic standards. Now, with the new library under way and plans for the new student center in the offing, we are witnessing the progressive spirit of M.U. still at work. We thank the faculty and administration for keeping this spirit alive and for upholding the traditions which have made this university great during the past seventy-five years and will continue to make it so in the years to come.

student life styles

alpha phi alpha

Millikin University offers its students a variety of life styles. One may choose dormitory life, commuting, Greek affiliation, off-campus housing, or any combination of the above.

It is sometimes assumed that students' perspectives are limited by their choices of residence; however, it is to the credit of the student community that these ambiguous boundaries are overcome in the higher pursuits of human enlightenment.

MILLIKIN UNIVERSITY

When the doors of Millikin open for the fall semester, a flurry of activity replaces the relaxed pace of summer on campus. Students (and parents) cart their belongings into reawakening rooms. Many then retreat to Allerton Park for the fun and frolic that is Freshman Camp. Always too soon, classes begin, and with them come the varied rush extravaganzas at the sorority and fraternity houses.

Winter Term settled on Millikin like the plentiful snow. It was a time of quiet interrupted only by a few rambunctious parties—seeming efforts by the students remaining on the frozen campus to assert their presence—and to keep warm!

football

After contending for the CCIW title for the last few years, Millikin's football team went up against a tough schedule and finished sixth in the conference with a 4-4 record (4-5 over all). The team opened the season with a 28-29 heartbreak loss at the hand of North Central, followed by three consecutive victories over Augustana (19-7), Elmhurst (12-6), and North Park (41-0). Millikin was then defeated by Carroll (6-25), by Wheaton (36-47), and by Illinois Wesleyan (0-28). This slump was followed by a victory over Carthage, with a score of 27-7. A final loss to Franklin College (28-40) ended the season for the Blue.

cross country

The Big Blue cross country team ran to a 2-3 season, finishing 6th in the conference. Senior Jeff Korando led the team throughout the season, and was named Most Valuable Player. Jeff was backed up by fine performances on the parts of Bob Wolf, Bruce Mitchell, Dave Dragoo, Tim Sparks, Dave Smith, and Jim Burkhardt. This strong underclass group will give cross country fans something to look forward to in the next season.

basketball

Ending the season with a 15-11 record, Millikin's basketball team placed 3rd in their conference. This year's squad had a well-rounded scoring attack, led by Dale Wills, who averaged 15.8 points per game. The team was also strong in rebounding, despite its lack of a big man. After a good showing against several non-conference opponents, the Blue cagers ended the season on an up-swing.

women's basketball

This year, Coach Crannell's squad competed in the State Small College Tournament. The team was named No. 1 in their district, and placed 7th in the state, ending the season with a respectable 14-7 record. During Winter Term, the squad traveled to the Virgin Islands and Puerto Rico for exhibition games.

wrestling

Despite many injuries suffered throughout the season, Millikin's grapplers ended their season with a 12-7 record. Some of the injuries did catch up with the team during conference, causing them to end in 5th place. At the conference, Marc Dear took 1st in the heavyweight division, Gary Reader took 3rd in the 177 pound class, and Pat O'Connell, at 142 pounds, and Kent Semelroth, at 158 pounds, both took 4th places. Since most of this year's team is returning for the 1977-78 season, next year holds promise.

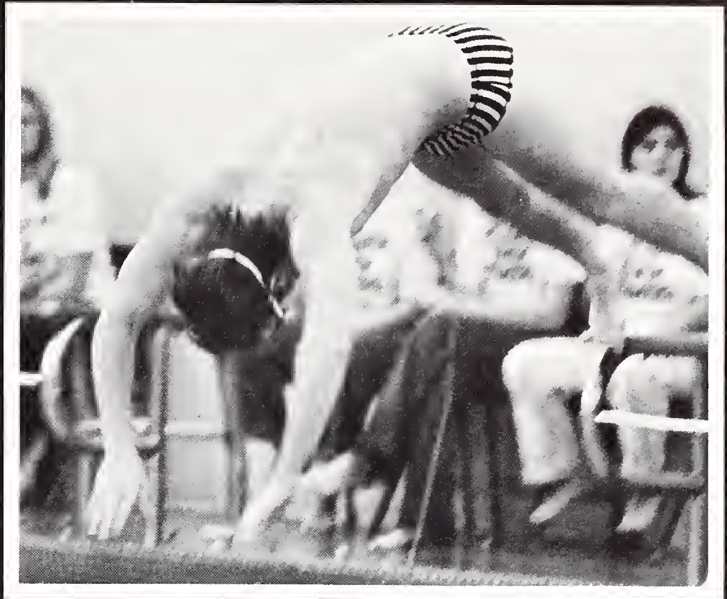
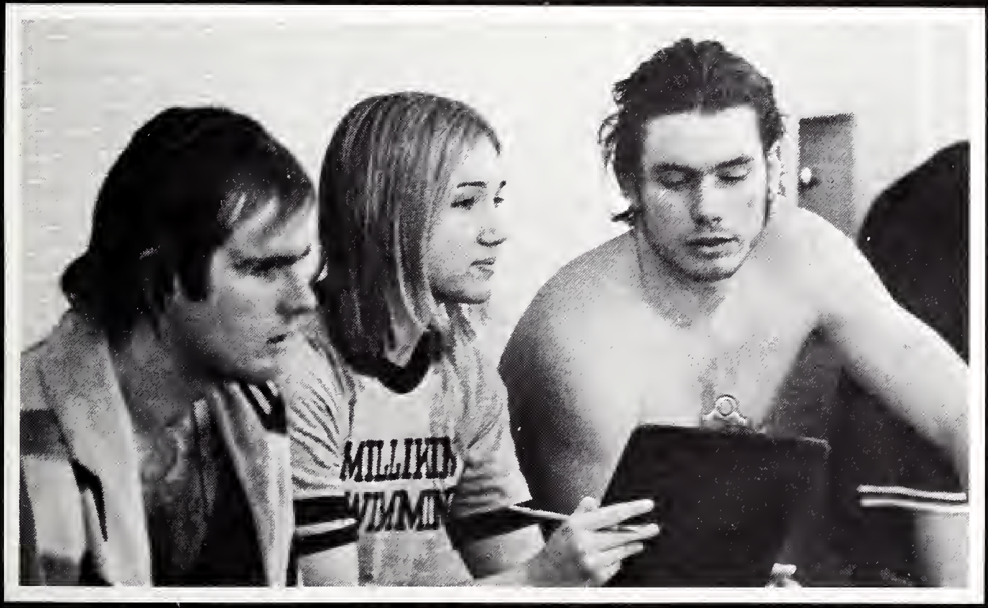
swimming

first row: Joel Ellis, Mike Hillegonds, Jeff Boswell, John Britt, Keith Wellman, Joe Gifford. *second row:* Chris Burbidge, Jane Glover, Barb Brumley, Paul Ford, Jim Anderson, John Floren, Mark Steenrod.

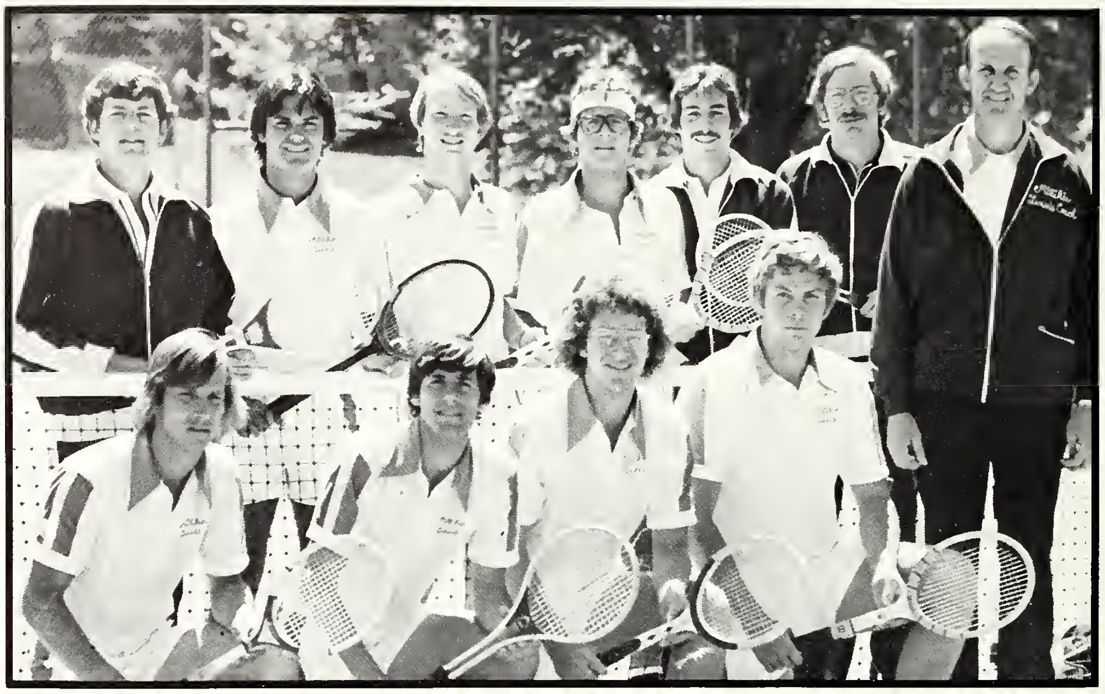




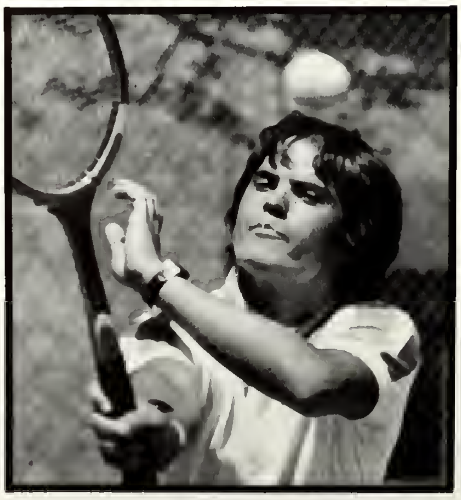
After suffering a letdown on the first night of the conference meet, the Blue swimmers came back with several excellent performances to finish in 3rd place overall. Outstanding times were turned in by Mark Steenrod, Jeff Boswell, John Floren, and Keith Wellman. All '76-'77 MU swimmers will return next year for what promises to be a great season.

men's tennis

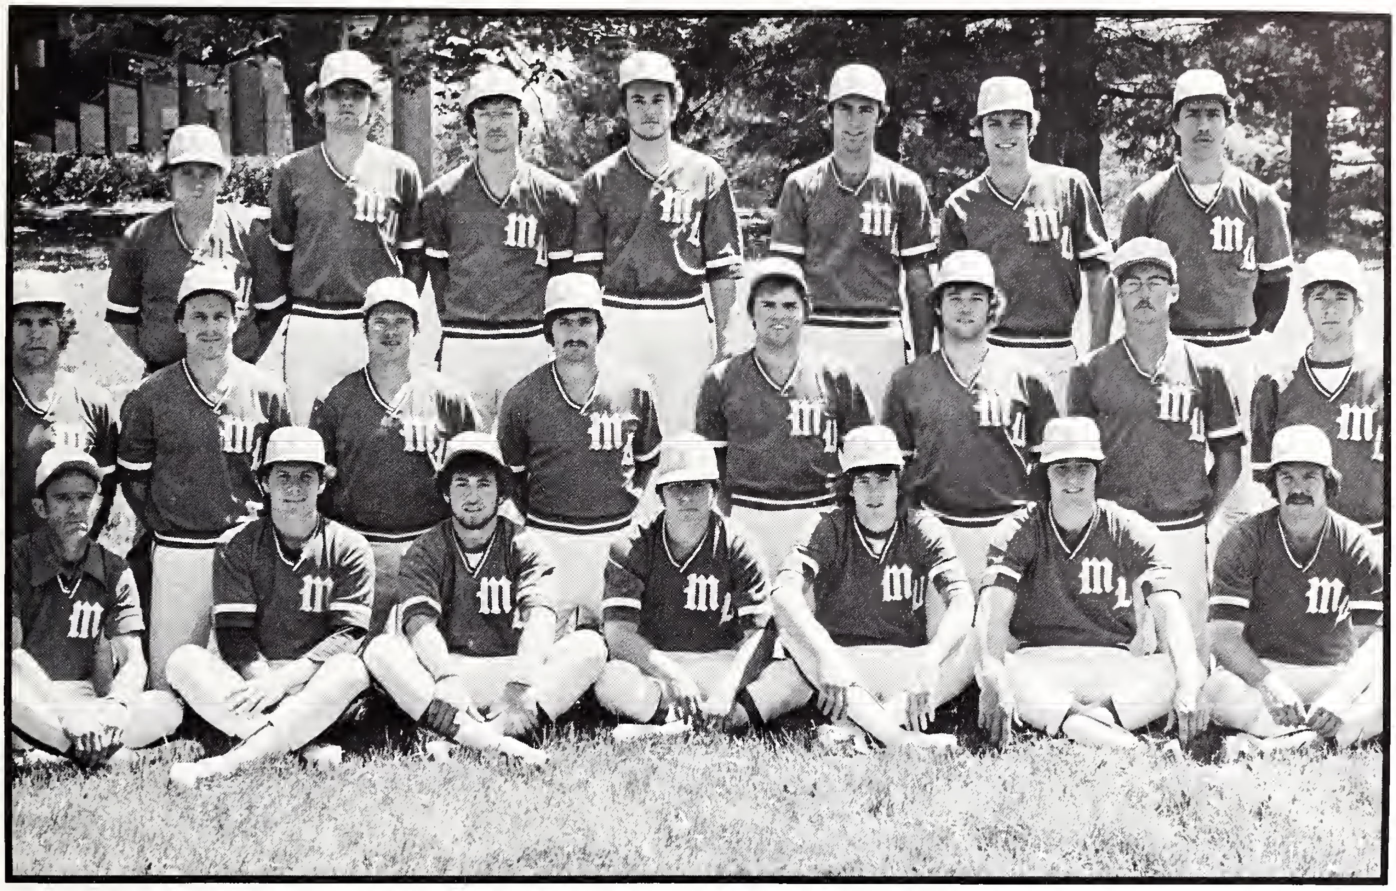
first row: Jim Crawford, Chuck Hubert, Lyle Grimm, Doug Clem, Coach Mike Brannon. *second row:* Jim Barenkamp, Dave Mozdren, Jay Julian, Dave Briddle, John Strine, Randy Inman.



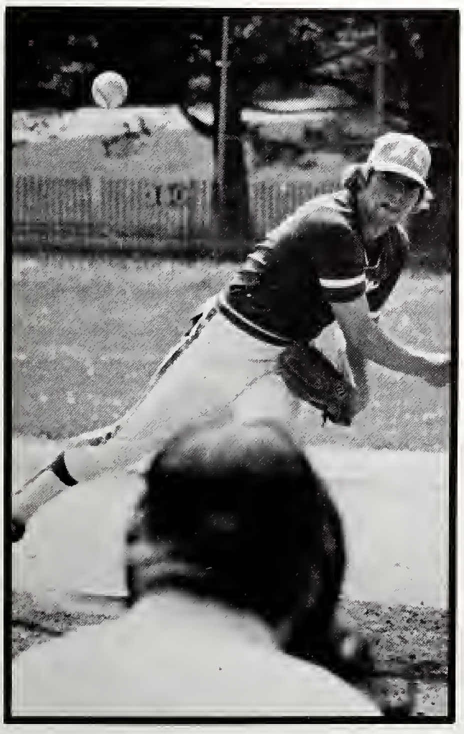
This year's squad finished the season in 3rd place in the CCIW. Millikin's Chuck Hubert was named the CCIW MVP in the conference meet. Although Hubert will be graduating, next year's outlook is very promising with the return of many experienced veterans.



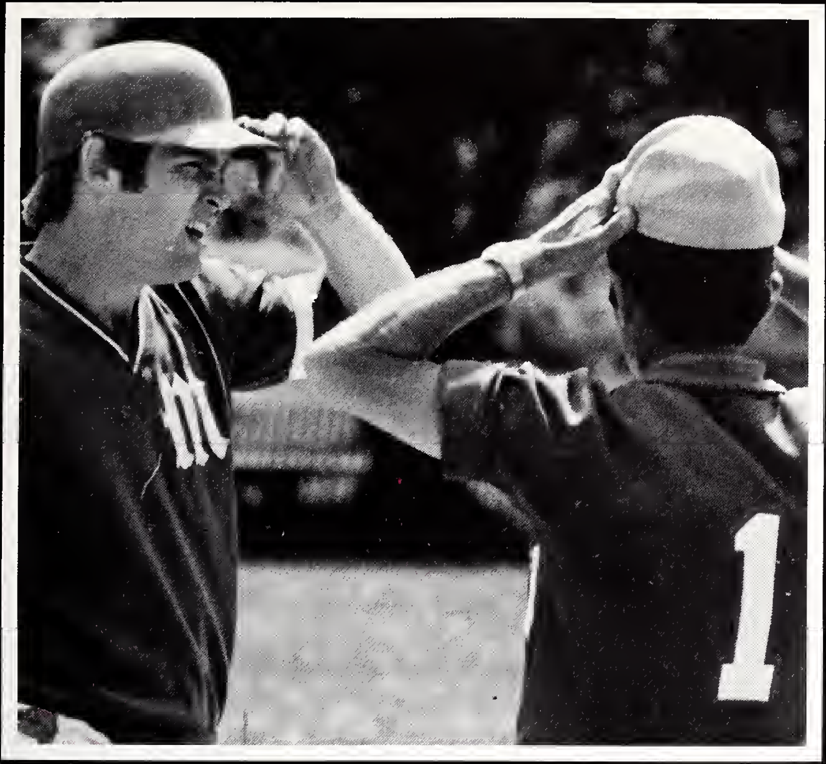
baseball



first row: Coach Galen Woods, Joe Pagone, Doug Cutinello, Mike Overlot, Steve Durham, Bill Reed, Andy Knotek. *second row:* Carl Kudell, Steve Kavolcik, Stu Arnold, Bill Batek, Risk Harvill, Britt Edwards, Steve Danko, Mike Lawlor. *third row:* Sam Trusner, Tim Littrell, Steve York, Tim Currinder, Curt Fritsch, Doug Kirhofer, Dave Yozze.



Stu Arnold set five new Millikin career records, and led the Blue to an 8-8 record that was good for 4th place in the conference. The strength of this year's team was their hitting. Curt Fritsch, Steve Danko, and Stu Arnold placed among the top fifteen batters in the conference. The team held a solid .305 average. Next year's co-captains, Rich Harvill and Steve Danko, have their work cut out since the team will lose five seniors after this season, including Doug Kirhofer, the team's MVP.



golf

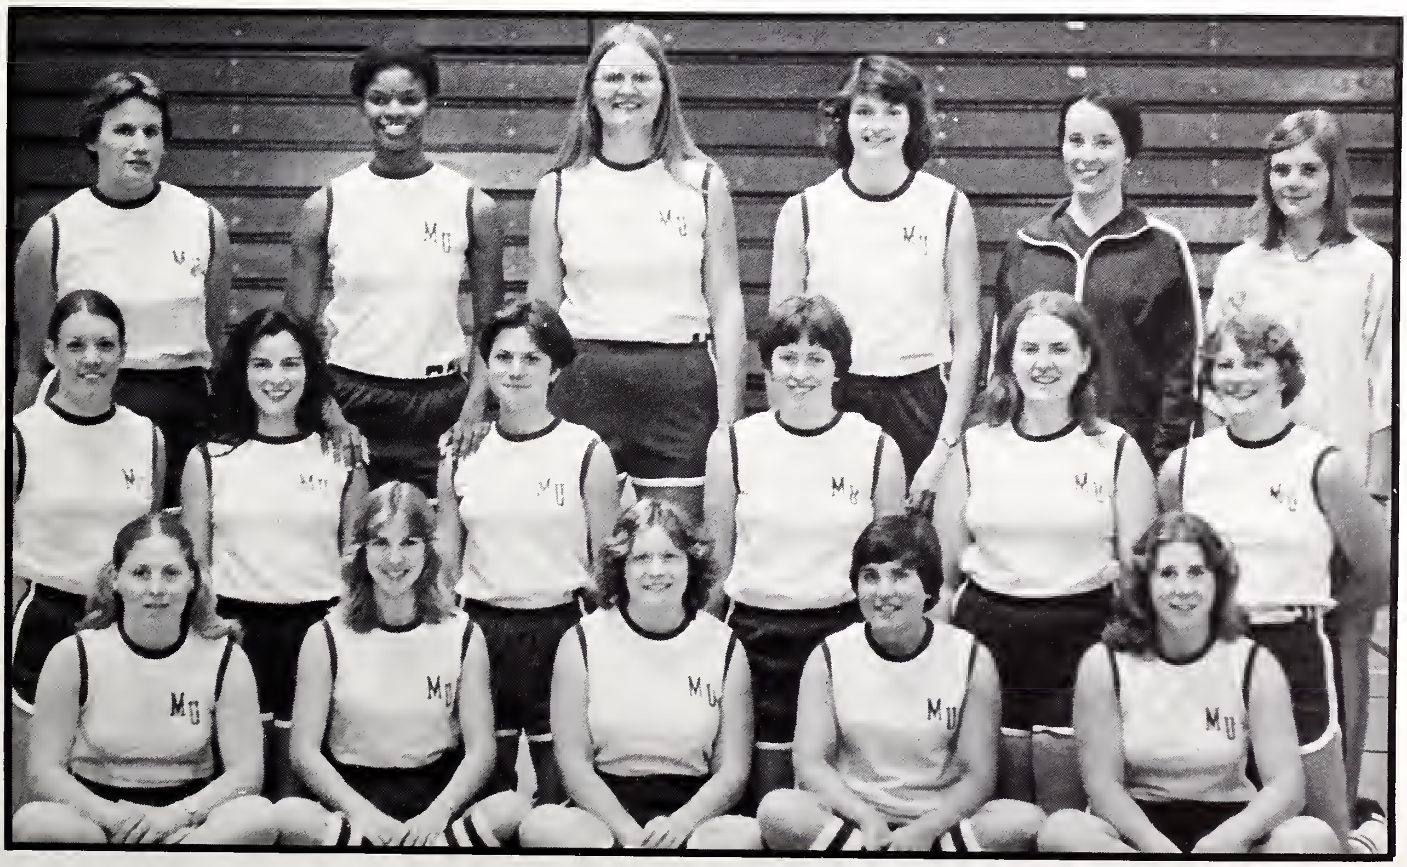
This season's record was not up to last year's par, but as the top three Blue golfers—Chris Galka, Brit Williams, and Bob Lockart—are only sophomores, next year's team promises to be a strong contender for the conference title. Galka, this year's MVP, tied for 7th with Ron Tapscott in the conference meet. This put the team in 4th place and only nine shots away from the title.

Team averages: Galka—77, Williams—78.9, Lockart—80.8, Tapscott—81.6, Mosser—81.7, and Kuhnke—85.6.

Brit Williams (above, standing), Chris Galka, Coach Joe Ramsey, Ron Tapscott.

women's track

In only its second year of competition, the Millikin's women's track team boasts a 6-1 record, breaking most established records from last year. With only three members graduating, the outlook for next year's team is bright. Recruiting new members and retaining veterans will strengthen the team's future endeavors.



first row: Jeanne Rentschler, Sandy Hodges, Cathy Etling, Missy Grohne, Donna Dolejs. *second row:* Cathy Irwin, Annette Russo, Ruth Patzelt, Marianne Larimer, Colleen Smith, Desiree Bumgarner. *third row:* Judy Fitzgerald, Jeffifer Friday, Jane Westendorf, Mary Griffith, Coach Leslie Randle, Karen Jung.

Along with spring each year at Millikin comes Campus Chest. During the week of April 11, students from every residence joined together to raise funds for a charitable cause—this year, that cause was Muscular Dystrophy. Through such activities as the Beauty and Beast Contest, the Food Fair, the carnival, and an all-night dance-a-thon, a significant contribution was made.

The following pages tell the story of Campus Chest 1977.

Greek Week, a Millikin tradition, provided the members of the Greek organizations with a time to work together, enjoy themselves, and express their pride in fraternity. Even though the opening event, the bonfire, fizzled out because of rain, the remainder of the week's activities were successful—from the Greek dance at Macon County Light Company to the riotous Greek games.

Mauria Fitzgerald (ACO) was named Greek Goddess for 1977; Ernie Bakakos (TKE) was named Greek God.

Below are some memorable scenes from the talent show and Greek games.

alumni board

The Alumni Board consists of Millikin alumni from classes past as well as four Millikin students. The board works jointly with the Alumni Office in planning class reunions and Alumni Day.

The Convocations Committee is made up of both students and faculty. The committee is responsible for sponsoring programs of cultural interest. Convocations receives its money from a portion of the student activity fee, from profits on shows, and from university donations. Maynard Ferguson, The Lettermen, and Leonard Nimoy were a few of the performers to appear on Kirkland stage this year.

residence halls council

The Residence Halls Council is a coordinating body designed to encourage activities in the residence halls. RHC includes in its membership four representatives from each housing unit, and one representative from each auxiliary house.

Each floor of any university residence hall is supervised by a resident assistant. Each hall, in turn, is managed by a head resident assistant, who coordinates policy between the floors and other dorms. Resident assistants serve as liasons between the university and the dorm residents in order to maintain the smooth operation of campus housing.

convocations

Convocations committee offers the Millikin community diversified programs featuring renowned speakers and performers. The 1976-77 series included Maynard Ferguson, the Lettermen, Nicholas von Hoffman, Stephanie Cotsirilos, Leonard Nimoy, the New Shakespeare Company, and the Alvin Ailey II Dance Company.

"Maynard is still one of the best. Like, man, he blows horn, y'know? New converts and hard-core Ferguson 'fanaddicts,' as well had goose bumps and tingles when he played Kirkland September 26th. His energy is astounding, his band is extremely proficient, and his arrangements are always overwhelmingly exciting. Maynard himself has the clearest, strongest, highest, and "sweetest" horn around. One can't help but be blown away by his tones . . ."—bknoe

The Lettermen, well-known vocal group, provided easy-listening music for the sell-out Homecoming audience at Kirkland on October 23. The variety of songs performed was extensive; there were "tunes" to please any and all. The highlight of the evening's performance was a call by the trio for audience participation; several Millikin "stars" displayed their talents as the finale.

"Von Hoffman was pretty much what I had expected him to be. He did call Richard Nixon a "dirty rat," and he made various comments about both of the major party candidates, calling them "klutzes" and telling the audience that these two men stood the danger of "being chloroformed." Whether von Hoffman means the things he says or not is questionable—maybe he does . . ."—Dayne Finet

"Stephanie Cotsirilos is a dynamic performer with a truly unique repertoire. Her performance at Kirkland on December 6th was unusual and refreshing; she is a delight!"—Jo Langheim

On the evening of February 17, Kirkland auditorium was visited by Leonard Nimoy of *Star Trek* fame. Those who attended enjoyed his stimulating talk entitled "Odyssey to the Corners of Your Mind."

The New Shakespeare Company of San Francisco returned to the Kirkland stage on March 13 with a performance of Shakespeare's greatest tragedy, *Hamlet*. Pictured below is Simon Levy who played the role of Prince Hamlet.

On April 26, the final Convocations presentation of the '76-'77 series featured the Alvin Ailey II Dance Company.

The program consisted of a series of dramas interpreted by the company through modern dance movements. The most fitting description of the entire show is that it was an *intense* performance.

awards day

The morning of May 4, 1977, President J. Roger Miller was not only bestowing awards, but receiving them, as Phi Mu Alpha presented him with the Orpheus Award.

Approximately 200 students were honored for their scholastic achievements as well as for athletic, dramatic, musical, scientific, and business-related accomplishments.

A Store that has enjoyed
serving you

How about tomorrow?

The end of the fourth year – and, the end of many frustrations.

A lot of work goes into earning a diploma. It's something to be proud of.

It is also a symbol of a new beginning. The time for a new search. A search for a job or more education; a place to work and live.

Whatever you decide, you are about to enter a different universe.

If you decide to work for a company, choose one you can become a part of – a company whose corporate ideas of right and wrong, whose reputation in the community compliment you.

Choose a company whose products or services contribute to the betterment of mankind. One that will allow you to make the best of your own capabilities.

It's not easy to find the right place. But the search can be worth the effort.

An Equal Opportunity Employer

Help Wanted

WANTED

Aggressive 1977 college graduates seeking interesting, challenging careers which offer growth potential as well as opportunity to contribute to society. Millikin graduates now in business *know* the importance of ethics. That profit *isn't* the only motivating factor. That individuality *can* be maintained in a corporate structure. We want the opportunity to prove that "Business Is A Good Place To Work."
